Don Lee Farms not affected by Beef Packers, Inc. Recall

Beef Packers, Inc., based in Fresno, Calif., is recalling approximately 825,769 pounds of ground beef products that may be linked to an outbreak of salmonellosis, the U.S. Department of Agriculture's Food Safety and Inspection Service (FSIS) announced today. Don Lee Farms nor its customers are affected by this recall. For further information about the recalled products visit: http://www.fsis.usda.gov/News_%26_Events/Recall_041_2009_Release/index.asp.

Consumers with questions about the recall should contact Beef Packers, Inc.'s Consumer Line at (877) 872-3635. Media with questions should contact Beef Packers, Inc.'s Director of Communications Rebecca Hayne (316) 291-2126. For food safety questions, call the USDA Meat and Poultry Hotline at 1-888-MPHotline (1-888-674-6854).
